**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic for my internet because they offer services that providers like Comcast have never offered, and have a different customer service model that is a good fit for my technical needs. Despite paying for top tier service with Comcast in previous years, it was never a good fit and I had a terrible experience. Sonic's service is critical to my business and home, and I do not support dismantling any portions of the 1996 Telecommunications Act!
